Super Storm Sandy grievance is still outstanding. The town has made an offer that has nothing to do with what we have asked for.

OFFER: The town has agreed to extend the year and let people work until July to make up time

### **New Business:**

Next meeting and general election will be on May 1<sup>st</sup>. We are seeking nominations for 2 open positions:

1<sup>st</sup> Vice President

Treasurer

Contract negotiations have begun. The town has come at us with very heavy demands. We have come back to them with our wants and it will take time to come to an agreement.

There has been some confusion regarding Dr's appointment and what is and isn't allowed. An email will be generated to Gina Williams (BOE) for clarification. If Dr's appointment is at any time during your work schedule your time sheet should reflect that you left for the appointment and what time you returned. People are encouraged to try to do appointments before and after work hours.

Meeting was adjourned at 4:25
